Ever wonder what becomes of our beloved animals when they leave this earthly place? Cavalier Adventures, LLC presents "Finley Finds Heaven" written by Jackson Smith and his Grammy, Janie Smith. "Finley Finds Heaven" is the heart-warming story of how an eight year old boy handled the loss of his beloved pet, Finley. Through dreams about Finley, Jackson discovers that Finley is fine as he has found Heaven. Finley's fun and exciting adventures in Heaven bring comfort to Jackson and his family.

In an effort to support ACKCS, Cavalier Adventures, LLC is donating \$2 of each book sale to David's Fund, ACKCS Rescue Trust. David's Fund, ACKCS Rescue Trust, is a special fund set up in honor of David whose funds will be used for purposes other than veterinary care and in extraordinary cases may include purchasing dogs in order to save them from harm.
